

Technical Data Sheet

VISIR Oljegrunning klar

VISIR Oljegrunning klar

Storage

In storage and in transport keep the container upright.

Disposal of waste

Empty containers, left over primer and splashed material must be brought to a local recycling station. Remove as much primer as possible e.g. using **JOTUN Penselrens** Brush Cleaner or a suitable cleaning agent, from the tool. Liquid primer must not be emptied into drains or water systems but be returned to a reception centre for dangerous waste.

Health and safety

Please observe the environmental and precautionary notices displayed on the container.

A Material Safety Data Sheet for the product has been issued.

Detailed information regarding health and safety risks and precautions for the use of this product is specified in the product's Safety Data Sheet.

First-aid measures, refer to section 4.

Handling and storage, refer to section 7.

Transport information, refer to section 14.

Regulatory information, refer to section 15.
